UBC Declaration of COVID-19 Vaccination Status

Instructions:
As part of its program for a safe start of the academic term, the University is requiring all faculty, staff, and students to complete a declaration regarding their COVID-19 vaccination status. This information will be used for the purpose of determining whether you are required to participate in the COVID-19 rapid testing program. Failure to complete this declaration and to comply with the requirements of this program may constitute misconduct that may result in serious consequences. For faculty and staff, these may include serious disciplinary consequences. For students, these consequences may include discipline under the student non-academic misconduct process, loss of the ability to access UBC services or premises, or the loss of other privileges.

If possible, you should declare your vaccination status using our online app, which may be accessed at: covidtest.ubc.ca. This paper declaration form should only be used if you are unable to access the app. The completed form must be mailed to 336-2389 Health Sciences Mall, Vancouver, BC V6T 1Z3. Your responses will then be entered into the online app.

Privacy Notification:
The personal information you provide in this self-declaration is being collected under the authority of section 26(c) of the Freedom of Information and Protection of Privacy Act (FIPPA). This information will be used for the purpose of determining whether you are required to participate in the COVID-19 rapid testing program and may also be used for investigation and disciplinary purposes related to compliance with this program. De-identified aggregated information will also be used to track the overall vaccination status of the UBC community. Staff and faculty members’ questions about the collection and use of this information may be directed to hr.info@ubc.ca and students’ questions about the collection of this information may be directed to:

- UBC Vancouver Campus Students: vicepresident.students@ubc.ca
- UBC Okanagan Campus Students: avps.ok@ubc.ca

Declaration of Location:
“UBC location” refers to both of UBC’s campuses and the off-campus facilities controlled by UBC. Are you currently working or studying at a UBC location or will you be working or studying at a UBC location by November 1, 2021?

[   ] Yes
[   ] No

Please indicate which primary location you are either currently working or studying at, or intend to be working or studying at, by November 1, 2021:

[   ] Vancouver Campus
[   ] Okanagan Campus
[   ] Other site controlled by UBC

UBC COVID-19 Vaccination Status Declaration:
In this declaration you will be asked to indicate whether you are fully vaccinated, partially vaccinated, unvaccinated, or choose not to provide vaccination information.

“Fully vaccinated” means that you have received two doses of Health Canada or World Health Organization approved COVID-19 vaccines or a single dose of the Janssen COVID-19 vaccine. Approved vaccines are:

- Pfizer / BioNTech
- Moderna
- AstraZeneca
- Covishield
- Janssen (Johnson & Johnson)
- SinoPharm (Beijing) / Covilo / BBIBP-CorV
- Sinovac/ CoronaVac
If you are not fully vaccinated or choose not to provide your vaccination information, you will be required to participate in COVID-19 rapid testing if you are working or studying on campus or at an off-campus facility controlled by UBC. The requirements of the University’s testing program will be set out at rapidtesting.covid19.ubc.ca.

If you indicate in your declaration that you are fully vaccinated and provide proof of vaccination when required, you will be exempt from the COVID-19 rapid testing program.

It is important to note that making a false declaration or failing to undergo COVID-19 rapid testing when required to do so constitutes misconduct that may result in serious disciplinary consequences for faculty and staff. For students, these consequences may result in discipline pursuant to the student non-academic misconduct process, loss of the ability to access UBC services or premises, or the loss of other privileges.

**Proof of COVID-19 Vaccination and Rapid Test Results:**
To be exempted from the testing requirements, individuals must declare that they have been fully vaccinated against COVID-19 and will be required, at a future date, to provide approved documentation demonstrating their vaccination status. Additional details about how to upload this documentation will be forthcoming in a follow up communication. Audits of the documentation provided by those who have declared that they are vaccinated will be performed. Individuals who participate in the UBC COVID-19 rapid testing program may be required to provide documentation demonstrating rapid testing results.

**DECLARATION:**
Please choose one of the following options:

As of today’s date, I hereby declare that:

[   ] I am fully vaccinated (i.e., I have received two doses of Health Canada or WHO approved COVID-19 vaccines that have two-dose regimens, or a single dose of the Janssen COVID-19 vaccine). I understand that I will be required to provide proof of vaccination when requested.

[   ] I am partially vaccinated (i.e., I have received one dose of a Health Canada or WHO approved COVID-19 vaccine, of a two-dose regimen). I understand that when I return to a UBC campus or an off-campus facility operated by UBC, I will be required to participate in regular COVID-19 rapid testing and reporting until I have provided UBC with a revised declaration and proof indicating that I am fully vaccinated. I understand that information on COVID-19 rapid testing and reporting will be announced shortly and I will monitor https://rapidtesting.covid19@ubc.ca for updates.

[   ] I am unvaccinated. I understand that when I return to a UBC campus or an off-campus facility operated by UBC, I will be required to participate in regular COVID-19 rapid testing and reporting until I have provided UBC with a revised declaration and proof indicating that I am fully vaccinated. I understand that information on COVID-19 rapid testing and reporting will be announced shortly and I will monitor https://rapidtesting.covid19@ubc.ca for updates.

[   ] I decline to provide my vaccination status. I understand that when I return to a UBC campus or off-campus facility operated by UBC, I will be required to participate in regular COVID-19 rapid testing and reporting until I have provided UBC with a revised declaration and proof indicating that I am fully vaccinated. I understand that information on COVID-19 rapid testing and reporting will be announced shortly and I will monitor https://rapidtesting.covid19@ubc.ca for updates.

**Acknowledgement:**
By signing below I confirm that the above declaration is true. I understand that failing to complete a declaration or making a false declaration is considered misconduct and may result in serious consequences. For staff and faculty, these may include serious disciplinary consequences, and for students these consequences may include discipline under the student non-academic misconduct process, loss of the ability to access UBC services or premises, or the loss of other privileges.
